## Imperialism of Africa

### Scramble for Africa Map Exercise

Use the colors listed below to show the partition of Africa in 1914. Territories and the European powers that controlled them are in the list on the next page. Start by filling in the key below with the colors identified. The Belgian Congo, the first territory on the next page, was colonized by Belgium. Color the Belgian Congo on the map according to the color representing Belgium in the key. Continue with the other territories in the list.

**Directions: Use the information in the chart to complete the map.**
